

English

In English we will be exploring Greek myths and legends – writing character descriptions, instructions, persuasive letters and poetry.

Art & Design

We will be making sketches of scenes and patterns in order to design our own Greek pots/vases.

We will also be taking part in a fantastic D.T. workshop in which we will make our very own Greek chariots!

P.E.

Net and wall games: take part in outdoor and adventurous activity which challenges both individually and within a team.

Swimming: working on a range of strokes including front-crawl, breaststroke and backstroke.

P.S.H.E

Relationships: focusing on dealing with our emotions. We will also explore fairness, communication and collaboration.

GODS & MORTALS

Year 3 Spring 2

Discover a fantastical world full of mythical creatures and legendary heroes. Poseidon, Apollo, Artemis & Zeus reign almighty from Mount Olympus, watching mere mortals on dusty Athenian streets.

Meet Theseus, the hero, and Helen of Troy, the beautiful face that launched a thousand ships. Explore the terrains of Greece, where in pure blue skies, the sun scorches waxen wings and melts the fortunes of Icarus and Daedalus.

Then decide your own fate, when a mysterious box is found and stirs your curious mind.

French

- Days of the week, months of the year and seasons.

R.E.

- Preparation for First Holy Communion

History

In history we will be ordering events & dates from Ancient Greek history on a timeline. We will also use a range of sources to find out about & investigate the everyday life of the ancient Greeks. We will learn about famous Greeks such as Plato, Aristotle, Parmenides, Archimedes, Pythagoras and Alexander the Great. We'll also look at a selection of images of ancient Greek soldiers, finding out what they wore and what weapons they fought with.

Geography

In geography we will be investigating maps of Ancient Greece, noting how the country was once divided into a collection of smaller city-states. We will then make a simple sketch map to show the states of Ancient Greece including important geographical features such as islands, seas and mountains.

Maths

Maths will be taught separately. Please see the list of objectives for the year which you received in the Parent Pack.

Computing

- I can use block coding (programming)
- Us Online (Internet safety)
