

Art Week

Mr Challens, our subject leader for Art, is organising an art week from 18th-22nd January and an art exhibition on the 28th January. If you have some artistic skills that you would like to share with the children, or can help us to set up the exhibition, then please contact Mr Challens directly.

School Uniform

When we return to school in January, please could parents ensure that children come to school each day wearing correct uniform, including caps and berets. Please remember that white trainers should be worn for P.E., **not** coloured ones, or football boots. Our uniform would have been one of the reasons that you chose this school for your child and is an important part of the school's identity.

School Council's good table manners poster competition

The posters will be displayed in the hall in January and school council will be giving weekly awards to those children displaying super manners.
