Physical Activity - Mighty Muscles
Exercise - Workout!

Computing

What's wrong with this game?
How does that work?
Say no to graffiti
Finding out about us

P.E.

1st half: gym/athletics
2nd half: dance/games

All about you and me Year 2 summer term

People lead different lives. All around the world, people lead very different lifestyles. Even in our country, the areas in which we live can contrast greatly. But people all around the world can have things in common, too. We are going to find out about things that make us different and things that make us the same.

Art & Design

We will create our own sea scapes using mixed media.
Inspired by African folk art, we will make traditional African masks.

Science

Plants

- Observe and describe how seeds and bulbs grow into mature plants
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

Mapquest

- 4 countries/ capital cities of the UK; surrounding bodies of water

Maths

Maths will be taught separately. Please see the list of objectives for the year.

R.E.

- Easter – Giving
- Other Faiths – Islam
- Pentecost – Serving
- Reconciliation- Inter Relating
- Universal Church- World

Geography & History

We will learn about life in our local area and compare it to a contrasting locality in the U.K (the seaside) and one in another part of the world (an African village). We will find out about:

- What different areas are like
- How the climate affects the way people live
- What people grow and eat in different countries
