RSE Parents' Meeting

Next term, our Year 5 and 6 pupils will have their RSE sessions with the school nurse. Year 5 will focus on puberty and Year 6 on reproduction. There will be a meeting for parents of pupils in these classes on Monday 16th April at 3.45pm in the Year 6 classroom for those of you who would like to find out about the content of the sessions.

Attendance

Please remember the following:

- All planned absences (including music exams, doctor's appointments and secondary transfer visits) should be requested in advance in writing.
- Children's attendance and punctuality is vital to their academic and social development, and children with poor attendance do not progress as well as their peers. Please make every effort to ensure that your child attends school every day. Parents whose children have attendance below 95% will be contacted next week as part of our routine register check.

Year 3 London themed Pop Art

As part of their topic of 'Urban Pioneers', Year 3 have experimented with colours and lines to create drawings of famous London landmarks. They observed the details of each building very carefully before including them in their drawings. Here are just a few examples. They will all be on display very soon. Take a look!
