

# Juniors' Sports Day Monday 17<sup>th</sup> June

## Our Juniors' sports day takes place this coming Monday for years 3-6 from 1pm until 4pm.

- If you would like to come and watch, please meet us at Battersea Park Athletics track at 1pm.
- Infant siblings can be collected from school after lunch at 12.30pm but must be supervised throughout the afternoon. Siblings **ARE NOT ALLOWED** to play in the long jump sand or bounce on the high jump mats. Unfortunately, each year, school staff have to remind a few families to supervise younger children. It would be a great shame if siblings had to be stopped from joining us next year, so please make sure all younger children remain with you.
- It is too early to see an accurate weather forecast, but if it is likely to rain please ensure your child brings their school raincoat if they have one. Otherwise, please put sunscreen on your child in the morning, and ensure they wear their house colour sun cap and bring extra water.
- We will eat packed lunches in the park beforehand, please make sure your child brings a lunch that is good for a picnic- no soup!
- School P.E. uniform must be worn, including white trainers.
- The pupils will sit in their house groups; see the small map to the right to find out where your child will be sitting. Parents: please feel free to wear your child's house colour, cheer loudly and enter the parents' races!
- If you are unable to attend with your child, please note that they will return to school with staff, but not until approximately 4.20pm.

## Battersea Athletics track

### Stands

Blue	Green	Red	Yellow
------	-------	-----	--------

Track and field

### Staff supervision at the stands:

Red House: Mrs Foley  
Yellow House: Mrs Bailey  
Green House: Miss McGregor  
Blue House: Mrs Kaczmarek

## Infants' Sports day 24<sup>th</sup> June

From 2pm, the infant pupils will enjoy their races at St Luke's pitches. Please meet us in the pitch nearest the Church. Parents wait on the left hand side, and pupils sit opposite, on the right. Year 6 prefects will be assisting us. Remember that the children should wear their PE kits to school. Sun cream should be applied at home in the morning and they should bring their yellow school sun cap. Parents- don't forget to wear sensible shoes so that you can take part in the adults' races!

Unfortunately, space prevents siblings in the junior classes from watching the event and they should be collected from school at the end of the day as usual.

## Next Academic Year

If your child will be leaving at the end of the academic year, please let the school know in writing as soon as possible, so that the place can be offered to a child on our waiting list.

## Fit for Sport

Fit for Sport is offering a 10% discount on its summer camp to families who book prior to Sunday 21<sup>st</sup> July and quote code R5510.

Map Quest is a whole school-home learning project which takes place each year in the summer term and lasts for two weeks. Each year group will encounter a different region of the world. By the time the children leave the Oratory, they will have an impressive locational knowledge of the UK, Europe and beyond. Every day the children have been involved in a range of short activities and completed homework with a Map Quest focus. On the final day each child will complete a 'test' and depending how many places they can correctly locate, they will be rewarded with a gold, silver or bronze certificate. We hope that you will enjoy Map Quest again this year.

## Cricket heroes

Last week it was the turn of the Y5 and 6 boys to head off to Westway to take part in a kwik cricket competition. Just like the girls, they did us very proud and all played to an impressive standard demonstrating great sportsmanship skills (in fact one of the umpires particularly commended our school for excellent sportsmanship skills!). One of our three teams made it through to the play offs and finished in an impressive second place...hooray!

## Mary Rose trip

Year Five set off down the motorway to visit the Mary Rose museum in Portsmouth on Monday. As well as seeing the ship itself and all the amazing artefacts- brilliantly preserved after 500 years under the sea, they took part in a 'Henry's Heroes' workshop to find out about the crew on board.
