

Year 2

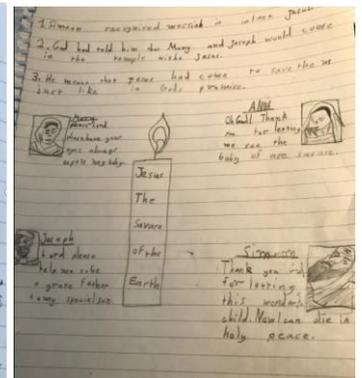

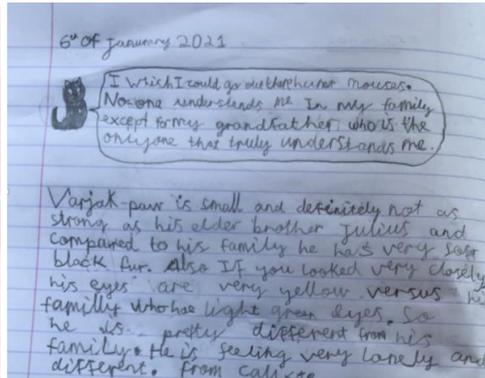

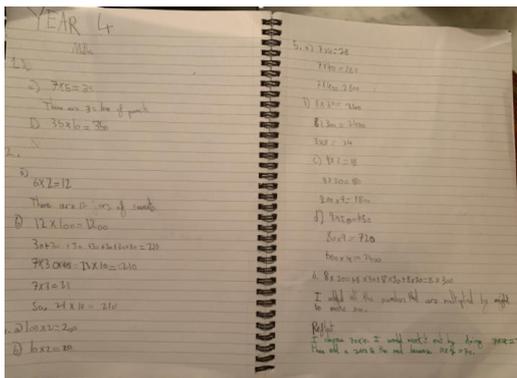

Aeryn's art work sketching feathers in great detail using pencil. She focused on making careful observations of what she was sketching, and labelled her drawings with care.

Year 3

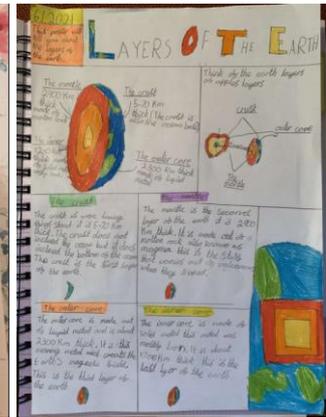

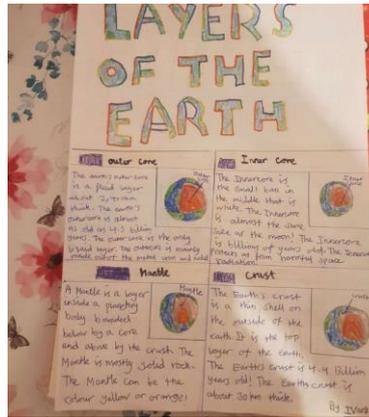

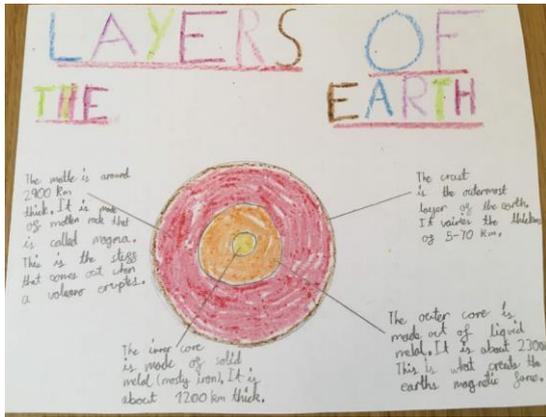

Grace's R.E. work on reconciliation, and Jesus' new commandment. She took her time and presented her work beautifully.

Year 4

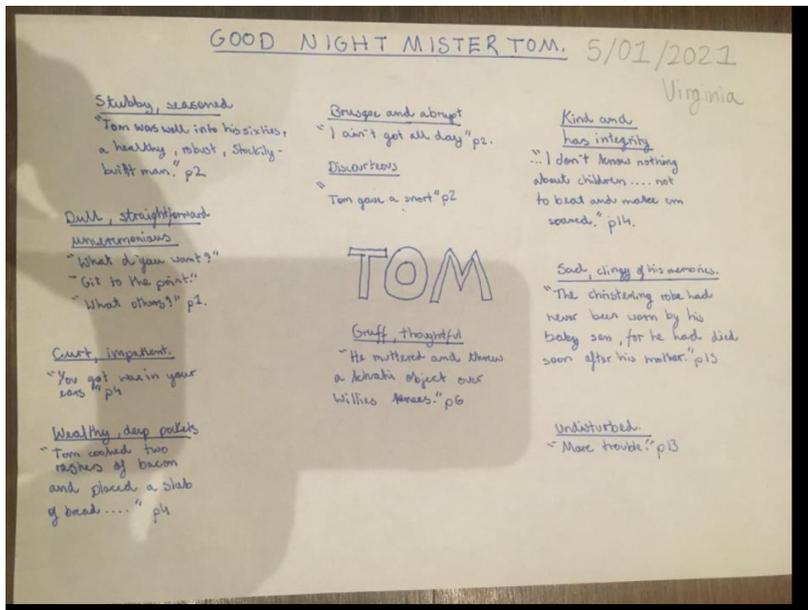

Jemima worked incredibly hard on her maths learning. She laid out her work carefully and made sure she used a green pen to complete her reflections, just as she does in class. Calixte has been working hard to improve his writing, and his effort in completing a letter based on his class text 'Varjak's Paw' is clear to see. George reflected well on the story of the Presentation in the temple, and created prayers of thanks from all of the people in the story.

Year 5

Jean, Ivanka and Olivia each completed very striking and informative posters on 'Layers of the Earth' as an introduction of their class Geography topic.

Year 6

Virginia's impressive character mindmap of Mr Tom quoted specific parts of the text that showed how she got that impression of him, and used adventurous vocabulary.

Thought of the week

TRUST
in the
LORD
with
ALL YOUR
heart.
(PROVERBS 3:5)
