Scenario	Description of Remote Learning
<p>Scenario 1: single child self-isolating</p>	<ul style="list-style-type: none"> • Google Classroom will be the platform used to share learning for those self-isolating. • Learning will be uploaded at the end of the first day of absence and daily thereafter • Teachers will provide a mix of pre-recorded videos from Oak Academy, and their own flipcharts. • Some tasks should be completed online and others on paper. <p>The school office will send parents and email containing the following generic paragraph:</p> <p><i>Child's absence while self-isolating due to Covid-19:</i></p> <ul style="list-style-type: none"> • <i>Thank you for informing us that your child is isolating.</i> • <i>Please alert the school when you have the result of any test.</i> • <i>Your child will receive remote learning during their absence.</i> • <i>Google Classroom will be the platform used to share this learning and it will be uploaded at the end of the first day of absence and daily thereafter.</i> • <i>Teachers will provide a mix of pre-recorded videos from Oak Academy, and their own flipcharts.</i> • <i>Some tasks should be completed online and others on paper.</i> • <i>If your child is feeling well, please encourage them to complete as much as they can. If they are unwell, they should rest and recuperate.</i> • <i>Your child can complete the work using any paper and writing implements they have at home.</i> • <i>If you cannot access the work due technology needs, please contact the headteacher.</i> • <i>We look forward to seeing your child at school as soon as it is safe for them to return.</i> <p>It is important to note that we do not expect the child to complete the work if they are unwell. This is only for children who have to stay at home when they are well enough to do the work. Likewise, parents will appreciate the fact that teachers are back to full class teaching and do not have the same amount of time that they did during lockdown to provide feedback and personal emails.</p>
<p>Scenario 2: Whole class self-isolating for two weeks. Teacher well and working from home.</p>	<ul style="list-style-type: none"> • Google Classroom will be the platform used to share home learning. • Teachers will create 5 short explanation videos which will be uploaded for children to watch before each task. • Teachers will upload videos, worksheets and slides to google classroom. • Some tasks should be completed online and others on paper.
