

School's Sport Grant Statement

What is the PE and Sport Premium?

The Government is providing funding of £450 million on improving physical education (PE) and sport in primary schools since 2013. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

All schools with 17 or more primary-aged pupils will receive a lump sum of circa £17,810.00. Possible uses for the funding include:

- provision of play areas for PE lessons / School Sports' Days
- hiring of stadiums for the purposes of Sports' Days
- provision of swimming lessons at local community pool
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils on after school sport clubs and holiday clubs.

Oratory Primary School's key objectives include:

- To continue to improve the quality of PE teaching skills of staff
- To increase the involvement and participation in the local competitive opportunities e.g. RBKC's School Games programme (inter-school festivals and leagues)
- Continue to improve the quality of the space provided for sports activities.
- To encourage young people to participate in and lead physical activity amongst peers

Oratory Primary School Evaluation of Sport Premium Spending 2022-2023
Total grant £17,810

Objective	Initiative	Impact	Cost
