Report on End of Key Stage 2 National Assessments 2025

The data below shows the school's results in this summer's national testing. Oratory's results compare very favourably to national averages, which is a reflection of the hard work and commitment of pupils and staff.

Key Stage 2 (Year 6) Results

Pupils took test in Reading, Grammar, Punctuation and Spelling (GPS), and Mathematics.

Pupils can be assessed as:

- Working towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth within the Expected Standard

Pupils' raw score (the marks they receive in the test) are converted to a scaled score. A child who scores a scaled score of '100' has achieved the 'expected standard'. A child who scores more than 100 is seen to be working above the expected standard. A child who scores below 100 is seen as working towards the standard. Children who achieve a scaled score of 110+ are classed as having achieved a 'high score'.

Progress is also calculated differently than before. The National Average has been set at 0 and the Government set the 'sufficient progress' measure as -5 for Reading, -7 for Writing and -5 for Maths.

End of KS2 Results									
		Oratory 2022	National 2022	Oratory 2023	National 2023	Oratory 2024	National 2024	Oratory 2025	National 2025
